

19th Stable Isotope Network Austria (SINA) Meeting

17th & 18th NOVEMBER, 2023
Salzburg, Austria

First Circular

<https://meeting.sina.or.at>

The 19th SINA meeting is jointly organized by the Department Environment and Biodiversity of the Paris Lodron University Salzburg and Giorgio Höfer ZT GmbH in Salzburg.

This meeting aims to bring together researchers and students in an informal workshop-like atmosphere to improve communication and interaction within and across disciplines and institutions. The meeting will include invited and contributed talks, as well as poster contributions.

Date and Venue

The SINA 2023 will take place on November 17-18, 2023 in Salzburg, Austria. The conference will be held at the Department Environment and Biodiversity of the Paris Lodron University Salzburg (PLUS), Hellbrunner Str. 34, 5020 Salzburg.

Registration

Please register electronically at the conference website: <https://meeting.sina.or.at>

Accommodation

Participants can find general information on Salzburg accommodations (all categories), e.g. at <https://www.salzburg.info/en/travel-info/tourist-information>

Scientific program

The scientific program covers broad scientific spectrum from fundamental to applied isotope research and their related disciplines. Topics will be presented as oral or poster presentations. The conference language is English. **Keynote lectures** and an overview of the **conference program** will be announced in the second and final circular shortly after closing of the registration.

Abstract submission

Regular oral presentation will be 15-minute talks (including 3 min discussion). Posters are welcome and each poster will be presented by a 3 min "speed" presentation in front of the poster. Abstracts of all presentations (oral and posters) should be sent by e-mail as attachment (word format) to: abstract@sina.or.at and should include title, authors, affiliation and abstract (maximum 350 words). It is possible to include small illustrations. Abstracts will be provided by the organizers as download on this website and in print form at the meeting.

Abstract submission will close on October 20th 2023
